

Expatriate Youth Scholarship

Founded: 2009 by Clements Worldwide

About the Scholarship: The “Life in a Flying House” Expatriate Youth Scholarship was developed by Clements Worldwide, the leading provider of insurance solutions for expatriates and international organizations. This program offers participants a unique opportunity to share their experiences living in a foreign country. The theme, “Life in a Flying House,” is inspired by the idea that students whose childhoods are spent moving between different countries and cultures develop rich life experiences.

Each year, the company awards a total of \$10,000 in scholarship to six students, ages 12-18 of any nationality who have resided in a foreign country for at least two consecutive years.

Mission: To provide young expatriate students with a creative scholarship opportunity that will assist in funding their international education.
