

## INTERNATIONAL PROPERTY AND CASUALTY

# Global commercial protection, even in **high-risk areas.**

Businesses are now operating all over the world, which means your clients' Property and Casualty coverage requirements are increasingly more challenging to place, especially for international risks in emerging markets.

Clements Worldwide's **Global Risk Insurance** division provides access to a unique suite of products specifically designed to meet these challenges.

### Key Industries Insured by Clements Worldwide:

- UN sub-contractors
- Security companies
- International schools
- US government contractors
- Foreign-based corporations
- Multinational development banks
- Global and international organizations
- Non-government organizations (NGOs)
