

Political Violence Protection

Now Included in Your Clements Worldwide Physical Damage Auto Policy

As part of our commitment to continue delivering the best coverage for our customers around the world, Clements Worldwide is proud to announce the inclusion of Political Violence coverage for your physical damage auto insurance.

Given emerging risks confronted by expatriates on a daily basis, no international car insurance policy should be without protection against losses due to riots, strikes and malicious damages, and generated by political violence. As a result, you can now have the peace of mind knowing that your vehicle is also covered against political violence losses.

This value-added coverage is brought to you exclusively by Clements Worldwide. Rely on our 70 years of service meeting the needs of professionals operating outside of their home country.

Your New Additional Coverage

This best-in-class policy coverage is defined as follows: Political Violence insurance is coverage against physical loss or physical damage to your insured vehicle that is directly caused by the following perils¹:

- Acts of Terrorism
- Sabotage
- Riots, Strikes and/or Civil Commotion
- Malicious Damage
- Insurrection, Revolution, or Rebellion
- Ensuing fire damage and ensuing loss by looting
- Mutiny and/or Coup d'Etat
- War and/or Civil War

Qualification, Portability and Deductible

This is a standard part of all Physical Damage Auto Policies.

This special coverage is worldwide, so you can be protected across borders². The deductible for a political violence claim is set at USD 500.
