

# Global Risk Insurance

Specialists at writing  
**hard to place risks**  
anywhere in the world

Businesses are now operating all over the world, which means your clients' insurance requirements are increasingly more challenging to place, especially for international risks in emerging markets.

Our **Global Risk Insurance** solutions offer agents & brokers access to a unique suite of global products, specifically designed and available in most countries. As a coverholder of Lloyd's of London, many of our products are underwritten in-house and allow us the unique ability to write coverage where many others can't.
